## **PLAY MEGAKENO PROGRESSIVE AT JOHN ASCUAGA'S NUGGET**

Sparks/Reno, Nev. – Keno players at John Ascuaga's Nugget now can play for a progressive-style jackpot typically associated with slot machines. MegaKeno, a state-wide progressive product offered by XpertX, Inc., offers Nugget guests the chance to play for separate progressive amounts on 5-, 6- and 7-spot cards with a \$1.50 wager. The progressive jackpots start at \$1,100 for a 5-spot, \$3,000 for a 6-spot and \$15,000 for a 7-spot. Players must mark "MK" on their Keno ticket when placing their wager to participate. The progressive pots for each of the three games appear on the main Keno boards around the property following the completion of each game. Guests can visit the Gold Keno game on the main casino floor for additional details.
