# Facials (Dr. Murad Products)

## Environmental Shield Infusion

Scientifically proven, patented infusion technology delivers the most powerful formulation of pure vitamin C directly into the skin to repair and prevent free radical damage resulting from environmental exposure. Achieve maximum skin clarity by improving texture, elasticity, firmness, hydration and reversing hyper-pigmentation.

## Resurgence Renewal

Today over 50 million people experience the effects of aging. See healthier, brighter and more youthful looking skin. This facial will help rejuvenate and rebalance hormonally aging skin.

## Redness Therapy

A breakthrough service to specifically address Rosacea-like redness. Formulated with ingredients that calm irritated skin, strengthens the skin's barrier function and instantly hydrates. Redness Therapy cools skin on contact, relieving skin sensitivity.

## PCA Rapid Exfoliator

Professional strength treatment designed for all skin types experiencing intrinsic aging. Glycolic acid provides maximum exfoliation to reveal healthier looking skin. With a unique patented blend of antioxidants, anti-inflammatory and hydrators, this powerful treatment dramatically improves skin's texture, tone and appearance.

## Clarifying Enzyme

Professional treatment designed to improve acne prone skin. Natural fruit enzymes of papaya and pineapple, plus antiseptics, antioxidants and anti-inflammatory ingredients are perfect for exfoliating the skin and softening clogged pores prior to extractions. The result is improvement in skin clarity and reduction in acne blemishes without redness or irritation.
